

Frequently Asked Questions –

1. When will our Preschool and Afterschool programs re-open?

We will primarily follow Charlotte-Mecklenburg schedules; however, as needs arise and we are able to open with proper staff, we are looking into the possibility of being open to help families that do have to work outside of the home. We will monitor this situation weekly and open when it is safe to do so. We are staying within CDC guidelines and want to follow all requests, guidelines and mandates from our local, state and national leaders to keep everyone safe and happy.

2. Will we still have to pay tuition during weeks we are closed?

No. (Unless you want to continue to pay and we will use that as a donation towards our school 😊) For those that have paid in advance, we will prorate your next bill.

3. What can I do with my children at home?

Most children have work that has been sent home by their classroom teachers. HPC is sending out daily emails for things to do with your children to help connect with the Bible. (If you would like to be on that email list, email lwilson@hpcpatch.org) Most importantly, enjoy this gift of time with them you have been given. Play games, sing silly songs, bake – we live in an over-scheduled society. With schedules now out the window, take the time to just BE together. Work hard at not letting your children see you stressed and anxious about what is going on. It's ok to turn off the news, unplug and figure things out day to day. Again, the silver lining is the time we have with our families!
