

Dear Holbrook Scholarship applicants:

The Holbrook Scholarship Committee is committed to providing financial assistance to qualified applicants annually. The Scholarship Committee would like to remind all applicants of the importance of obtaining pertinent and recent written referrals in accordance with the application guidelines. At least six (recent) months of active membership in Huntersville Presbyterian Church and an ongoing participation in a periphery Christian based program(s) are both integral for applicants. The latter option provides opportunities to those attending college away from home; participation references are required.

There are no automatic renewals and individuals are only eligible for 4 years. All applications must be completed in entirety and include the most recent transcript of grades, all reference letters, and an original faith statement.

Please contact Erin Bullis, Committee Chairman, with any questions.
